 - at end May to capture XC and Road seasons plus the Hampshire T&F Championships
 - at end September to capture the main T&F season
2. Important that everyone involved adheres to process deadlines.
 - Performance cut-off end May, applications to Kathryn Miles by mid-June and awards made before end June
 - Performance cut-off end Sept, applications to Kathryn Miles by mid-Oct and awards made before end Oct.Process not allowed to drag out because of someone missing the application deadlines, late submissions captured at the next scheduled review date.
