Changes to ENDURANCE: Main – Road\Grass section only:

- Nick to set weekly programme for the main endurance group and to introduce weekly session to athletes.
- Nick to occasionally coach the main endurance session.
- Identification of coaches to deliver weekly session (ideally 2 or 3 Coaching Assistants or Leaders in running fitness or others looking to step up to Athletics Coach level).
- Opportunities for all levels of coach to increase experience (across junior section) and receive mentor support.
- Identification of athletes within pace groups to become leaders in running fitness, strengthening leadership within the groups.
- Target to increase numbers of coaches at all levels to support expected increases in new members and juniors moving through.
- Juniors moving through to initially join **Speed (U17/U20/Sen) group**
- New members joining **Main – Road/Grass or Speed (U17/U20/Sen) groups**.
- Athletes welcome to try different groups in consultation with their coach.
- In practice, coaches may be working across different groups.
